# LAUREN BOEBERT'S Plan to Restore U.S. Energy Dominance

H.R. 7012 and H.R. 859

Fostering Job Creation and Helping Reduce Gas Prices

- 1 Restart construction of the Keystone XL pipeline.
- 2 Expedite approval for natural gas interstate pipelines.
- 3 Immediately resume federal oil and gas leasing and production.
- 4 Nullify the Biden administration's anti-energy mandates.
- 5 Ban oil and gas imports from Russia, Iran, and Venezuela.
- 6 Increase American energy exports to boost our economy and project American strength while exporting freedom throughout the world.
- 7 Open a small sliver of ANWR as directed by law for responsible oil production.
- 8 Prevent future unilateral mandates shutting down American energy.
- 9 Stand with the American roughneck instead of OPEC.
- 10 End the Biden administration's new policy that prevents pipeline construction.
